

Global Natural History Day[®] Program Overview

1

Building a Team

- Take a look at the 2019 annual theme (Future: “Foreseeability? Unpredictability? ”)
- ❖ *Homepage->Materials->GNHD 2019 Annual Theme->Download*
- Find a teammate
- Brainstorm topics & research questions

2

Useful Information for Participants

❖ *Homepage->Materials*

Here you can find:

- The 2019 Rule Book
- 2019 GNHD Program Overview
- 2019 GNHD Leaflet

3

Registration (Launched in February 2019)

- Log into the GNHD official website, enter your phone number or email address as your user name, and set a password to complete the user registration process.
- ❖ *Log in-> Fill out personal information-> Generate ID*
- Use your user name to log into the personal center, fill out your personal information to generate a unique ID.
- The ID is used throughout the contest for identification and informational purposes.
- If you want to change any personal information (excluding name, gender, date of birth), you can update your information in the personal center.

Note: After entering the ID and ID number, please do not change it arbitrarily to avoid affecting information verification if no mistakes.

4

Enter the GNHD[®] Competition (Launched in March 2019)

- ❖ *Log in->Personal center->Create a team-> Create a team entry code*
- Once you have confirmed that both your mentor and partner have IDs, you can set up a team. Fill in the name and IDs of the mentor & students, and choose your contest category (exhibit/performance). Once established, a team entry code will be generated.
- ❖ *Log in->Personal center->Contest confirmation*
- For preliminaries, Semi-finals, and Global Finals, you are required to visit the official website within the specified time for "Contest confirmation". Select your entry code according to the system prompts to fill in the supplemental information. The system will automatically generate “Written materials” and “Entry confirmation form” and save them into the event document.

5
